Subject: Sen. Michael Bennet (CO) staff inquiry

Hello All:

FYI, the EOC received a call at 6:00 this evening from a junior staffer to Sen. Michael Bennet (CO) relaying the Senator's request to speak to Gina McCarthy. During our brief discussion, another staffer in the background said they had reached a liaison to the Administrator's office and they had the

contact they needed.

I did call the staffer back around 30 minutes later to ensure that they had what they needed and I was told that Sen. Bennet was going to talk to Stan Meiburg. I asked if this had to do with the R8 abandoned mine release into the Animas River in San Juan County, CO but the staffer did not know the nature of the Senator's inquiry. I will inform you all of any more such inquiries.
